FINANCES AND MARKETS

[Republican A. P. Leased Wire]
NEW YORK, Jan. 6. (Wall Street)—The one engrossing and overshadowing feature of today's highly irregular and at times unsettled market was the statement issued by Chairman Gary of the United States Steel Corporation bearing upon present and future aspects of that important industry.

Steel common opened at a slight advance over the preceding day's final quotation of 86 1/2, but soon fell off to 86 1/4, from which it recovered to 87 1/4. After that it lost ground more or less steadily. Other leading issues were at lowest prices in the final hour.

General Motors fell 45 points to 440. Bethlehem Steel, 24 1/2 to 42 1/2 and International Agricultural Chemical preferred 4 to 44.

Rails were under constant pressure. Total sales of stocks amounted to \$10,000 shares.

The bond market in general was decidedly irregular. Total sales, par value aggregated \$5,325,000.

United States bonds were unchanged on call.

MEAT STOPPED HOGS FROM ROOTING

Hogs root because they want something Nature leads them to search for in the ground. What is it? Probably worms and other animal food. Anyhow, an Iowa man, whose hogs were rooting up the pasture, instead of ringfencing them, gave the meat meal self-feeders. In three days they stopped rooting, and as they were getting a better balanced ration, no doubt the meat meal not only saved the pasture but added more to the gains than it cost.—Farm and Fire-side.
